

MARK LINKOUS 1962-2010

The entire band and office send our respect to the life, amazing work, and memory of Mark Linkous, a brilliant songwriter and sweet man. We all honor his music and energy, and we collectively breathe for him, a sigh and a common prayer; thank you Mark for what you gave to us. You will be greatly missed. This is Dewitt's favorite picture of Mark by Danny Clinch. - Michael
